

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

It can be concluded that the translator employed several translation techniques were used in translating Harry Potter: The Half Blood Prince into *Pangeran Berdarah Campuran* but translation techniques the most used in this thesis are modulation and addition

Dikomentari [R1Q1]: Tuliskan simpulan penelitian

B. Suggestion

It is suggested that the future research investigates further the goals of using those techniques and the translator's ideology.

Dikomentari [R1Q2]: Tuliskan suggestion untuk peneliti di masa depan yang akan meneliti tentang penerjemahan novel
