GAMBARAN PEMANFAATAN BUKU KIA DI POSYANDU MAHKOTA DESA KOMPIE TELUK BINTUNI PAPUA BARAT

(xvi + 61 halaman + 8 tabel + 2 bagan + 12 lampiran)

ABSTRAK

Latar Belakang: Keikutsertaan ibu dalam kegiatan kelas ibu balita dapat meningkatkan pengetahuan, sikap dan perilaku ibu dengan menggunakan buku KIA dalam mewujudkan tumbuh kembang balita yang optimal. 10 ibu balita didapatkan 6 orang yang tidak aktif mengikuti kelas ibu balita. Sedangkan 4 orang ibu balita aktif mengikuti kelas ibu balita, akan tetapi ditemukan 2 orang ibu balita yang tidak memanfaatkan buku KIA yang ditunjukkan dengan tidak pernah membaca buku KIA.

Tujuan Penelitian: Untuk mengetahui gambaran pemanfaatan buku KIA di Posyandu Mahkota Desa Kompie Teluk Bintuni Papua Barat.

Metode Penelitian: Penelitian ini menggunakan desain deskriptif dengan pendekatan kuantitatif. Populasi penelitian ini adalah seluruh ibu balita di Posyandu Mahkota yaitu sebanyak 32 responden. Teknik sampling pada penelitian ini menggunakan *total sampling* dengan jumlah sampel sebanyak 32. Analisis data menggunakan analisis univariat.

Hasil Penelitian: Didapatkan pemanfaatan buku KIA di Posyandu Mahkota Desa Kompie Teluk Bintuni Papua Barat dengan kategori rendah sebanyak 18 orang (56,3%) responden dan kategori tinggi sebanyak 14 orang (43,7) responden.

Simpulan: Sebagian besar responden memanfaatkan buku KIA di Posyandu Mahkota Desa Kompie Teluk Bintuni Papua Barat dalam kategori rendah. Hendaknya mendapatkan informasi tambahan tentang pemanfaatan buku KIA jika ibu tidak dapat mengikuti Kelas Ibu Balita.

Kata Kunci: Kelas Ibu Balita, Buku KIA.

**THE DESCRIPTION OF THE USE OF MCH BOOKS IN POSYANDU MAHKOTA
BINTUNI BAY COMPIE VILLAGE WEST PAPUA IN 2024**

(xvi + 61 pages + 8 tables + 2 charts + 12 attachments)

ABSTRACT

Background: Mothers' participation in toddler mother class activities can increase mothers' knowledge, attitudes, and behaviours by using MCH books to realise optimal toddler growth and development. Of the 10 mothers of toddlers, there were 6 who were not actively taking part in the classes for mothers of toddlers. Meanwhile, 4 mothers of toddlers were actively taking part in the class for mothers of toddlers, but 2 mothers of toddlers were found who did not use the MCH book, as shown by never reading the MCH book.

Objective: To find out an overview of the use of KIA books at Posyandu Mahkota Kompie Teluk Bintuni Village, West Papua.

Method: This research uses a descriptive design with a quantitative approach. The population of this study was all mothers of toddlers at Posyandu Mahkota, namely 32 respondents. The sampling technique used in this research was total sampling with a sample size of 32. Data analysis used univariate analysis.

Results: It was found that the use of KIA books at Posyandu Mahkota, Kompie Teluk Bintuni Village, West Papua was in the low category for as many as 18 people (56.3%) respondents and in the high category for as many as 14 people (43.7%) respondents.

Conclusion: Most respondents used the KIA book at Posyandu Mahkota, Kompie Teluk Bintuni Village, West Papua, in the low category. You should get additional information about the use of MCH books if the mother cannot attend the Mother of Toddler Class.

Keywords: Toddler Mother Class, KIA Book.
