Letter of Acceptance
International Journal of Advances in Data and Information Systems
August 21st, 2024

To. **Harto Tomi Wijaya, Kustiyono**
Informatics Engineering, Universitas Ngudi Waluyo, Indonesia

We are pleased to inform you that your manuscript, **"Sentiment Analysis of Twitter Users Towards the Pre-Employment Card Program Using the Naive Bayes Method"** has been **accepted** for publication in **International Journal of Advances in Data and Information Systems (IJADIS)**, ISSN (Online) 2721-3056 for Vol. 5 No. 2 (2024). All of the accepted manuscripts will go under copyediting as a quality control check before publishing the article.

Should you have any questions, please do not hesitate to contact the editor of the IJADIS by sending an email to info@ijadis.org.

On behalf of the Editorial Team, we look forward for your future contribution to our journal. Thank you very much in advance for your cooperation.

Yours Sincerely,

Assoc. Prof. Haruna Chiroma, Ph.D.
Editor-in-Chief
International Journal of Advances in Data and Information Systems
